

Cabernet Sauvignon

VARIETIES: 100% Cabernet Sauvignon

VINTAGE: 2018

REGION: Marananga, BAROSSA VALLEY

Alcohol: 14.5% alc

Cellaring: 8-10 years

The grapes for this wine were grown by our neighbours, Peter & Anita Frazer, whose low-yielding vineyard produces fruit of intense richness & varietal character.

The Cabernet Sauvignon is a blockbuster of a wine with rich dark fruit and balanced soft oak tannins, produced from 12 months ageing in American oak barriques.

This is definitely a wine to cellar for a number of years but for now, it is seriously easy drinking. It will develop well in the bottle for 8-10 years.
