

PUIATTINO

2019 PINOT GRIGIO

Friuli, Italy

Pinot Grigio remains Italy's favourite white wine internationally.

The best examples of this variety are produced in the cool climate north east of the country

This is a classic example of Pinot Grigio with authentic varietal character. It is dry and light bodied, delicately flavoured but with great persistence of flavour. Soft natural acidity and a touch of minerality round out the palate

Better as an aperitif on a warm day or best suited to dishes such as salads and light fish dishes.

Pale in colour, with fresh grassy notes and hints of green apples. The palate has a touch of honeyed richness but is fresh and steely, making it a wonderful aperitif.
