

# HARMANS ESTATE

*Regional Series*

---

## 2017 Sauvignon Blanc Semillon

### VINEYARD

*Silver Springs Estate - Metricup.*

*Planted 1998*

*A family owned vineyard was selected for this wonderfully expressive Sauvignon Blanc and Semillon. The 2 varieties were harvested together, and co fermented to craft this great example of a Margaret River SBS.*

### TASTING

*Very bright and clear with pale straw colour, this is an intensely aromatic SBS with lovely fresh fruit aromas of green apple and citrus zest with hints of jasmine florals. The palate is wonderfully crisp with a clean refreshing finish.*

### WINEMAKING

*The fruit was harvested in the cool of the night to retain freshness. Cold pressed and settled in stainless steel tanks before the clear juice was racked and inoculated with an aromatic yeast strain and then fermented at cool temperatures. The wine was bottled early to capture the fresh crisp aromatics of this wine-style.*

### BLEND

*80% Sauvignon Blanc, 20% Semillon*
