

Heritage Semillon

VARIETIES: 100% Semillon
VINTAGE: 20&\$
REGION: Kalimna, BAROSSA VALLEY

Alcohol: 12.8%

Cellaring: 3-4 years

Semillon is one of the truly great white varieties of the Barossa Valley.

Our Semillon is sourced from a vineyard 4 km north of our winery at Kalimna. 10% of the fruit is fermented in American oak barrels, and the wine is bottled early, to retain optimum varietal character.

The nose shows citrus/lime characters with just a hint of oak. The palate displays distinctive fresh lemony Semillon flavours with good weight and an impressive dry finish.

10% of the fruit is fermented in American oak barrels, and the wine is bottled early, to retain optimum varietal character.

This wine is bottled with a stelvin closure to seal in the freshness & aromatics without the risk of cork taint.

This wine is an excellent mouth-filling drink that is an ideal accompaniment to food, in particular, veal, chicken & fish.

20&\$: fruitier, crisper

201-: more buttery, softness
